

Abbiamo alle spalle quarantacinque anni di presenza nel mercato internazionale che ci ha permesso di costruire un know-how solido per affrontare con determinazione nuove appassionanti sfide e diventare un importante punto di riferimento nel settore.

Innovare per noi significa confrontarsi con i nuovi trend del settore, sfruttare le potenzialità delle tecnologie di nuova generazione e, soprattutto, entrare in empatia con i professionisti della gastronomia per conoscere da vicino le loro esigenze e soddisfarle efficacemente.

Una realtà affermata in tutto il mondo.

La passione è la nostra arma vincente.

Offriamo l'eccellenza ai nostri partner perché il vostro successo è il nostro successo.

We have been present on the international market for 45 years, which has allowed us to build a solid know-how for facing new and exciting challenges with determination and to become an important reference point in the industry.

To us innovation means keeping up with new trends in the industry, taking full advantage of the potential of new generations of technology and, most importantly, understanding professionals within the world of gastronomy in order to learn what their needs are and how to satisfy them.

An internationally known company. Passion is our secret.

We supply our partners with excellent products because your success is our success.

Nous avons, à notre actif, quarante-cinq ans de présence sur le marché international, qui nous a permis de construire un know how solide pour affronter avec détermination de nouveaux défis passionnants et devenir un point de référence dans le secteur.

Innovation pour nous signifie faire face aux nouvelles tendances du secteur, exploiter le potentiel des nouvelles technologies de production et, surtout, faire preuve d'empathie avec les professionnels de l'alimentation pour s'approcher au plus près de leurs besoins et y répondre efficacement.

Une société qui s'est imposée dans le monde entier.

La passion est notre atout.

Nous offrons l'excellence à nos partenaires. Votre succès est aussi le nôtre.

Wir können auf eine fünfundvierzig jährige Präsenz im internationalen Markt zurückblicken: während dieser Zeit haben wir uns ein solides Knowhow geschaffen, mit dem wir uns immer neuen, begeisterten Herausforderungen stellen können. Heute sind wir ein wichtiger Bezugspunkt für die gesamte Branche.

Innovation bedeutet für uns, dass wir uns den neuen Trends der Branche stellen, das Potential der Technologien der neuesten Generation nutzen, vor allem aber, dass wir eine Empathie mit den Experten der Gastronomiebranche aufbauen, um deren Erfordernisse besser ausmachen und effizienter zufriedenstellen zu können.

Ein weltweit konsolidiertes Unternehmen.

Unser Geheimrezept ist unsere Leidenschaft. Wir bieten unseren Partnern Vortrefflichkeit. Ihr Erfolg ist auch unser Erfolg.

Berto's Lab

Un nuovo laboratorio di ricerca e sviluppo all'avanguardia • A new forefront research and development laboratory • Un nouveau laboratoire de recherche et développement à l'avant-garde • Ein neues, hochmodernes Forschungs- und Entwicklungslabor.

Production
